

# Agreement

**Full name:** .....

**Date of birth:** .....

I agree that University of Economics, Prague (University) as data administrator preserves and treats my personal data along with my photograph in its information system. This data can be used only during my studies/work at this University to the purpose of personal identification and protection of University's property. After that period this data may be kept for next 2 years for the purpose of my potential resumption. I acknowledge that supplying of my personal information is voluntary.

I acknowledge that University of Economics, Prague preserves and treats this personal data:

*full name, date of birth, username, e-mail, data about studies, photograph.*

This personal data will be available only to University's employees or corporations that provide services to its users on contractual bases (excluding sponsors and advertising). I affirm that I was introduced to my rights concerning access to my personal data, along with my other rights according to the law 101/2000 (Zákon o ochraně osobních údajů) in force.
