Is all information correct?

Once saved, your name, surname and date of birth can only be changed personally at the contact point.

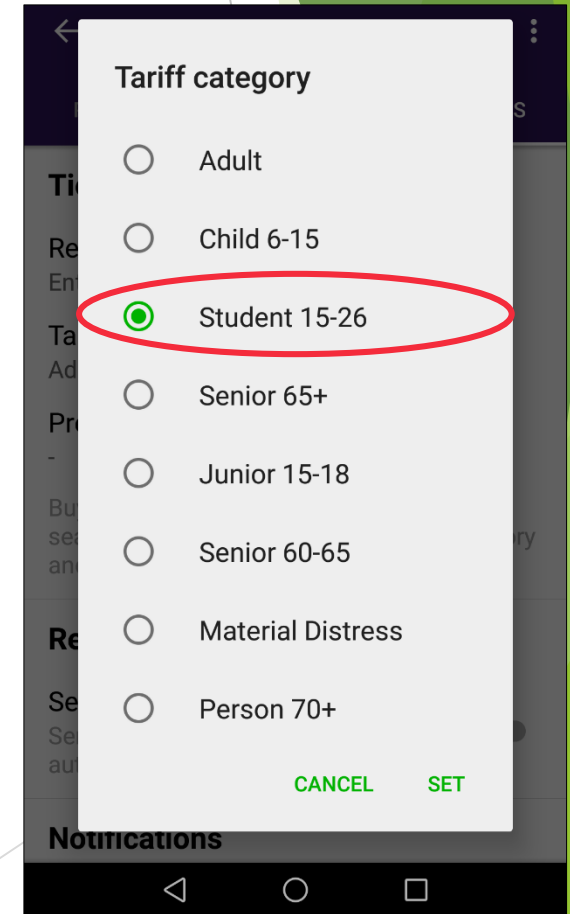

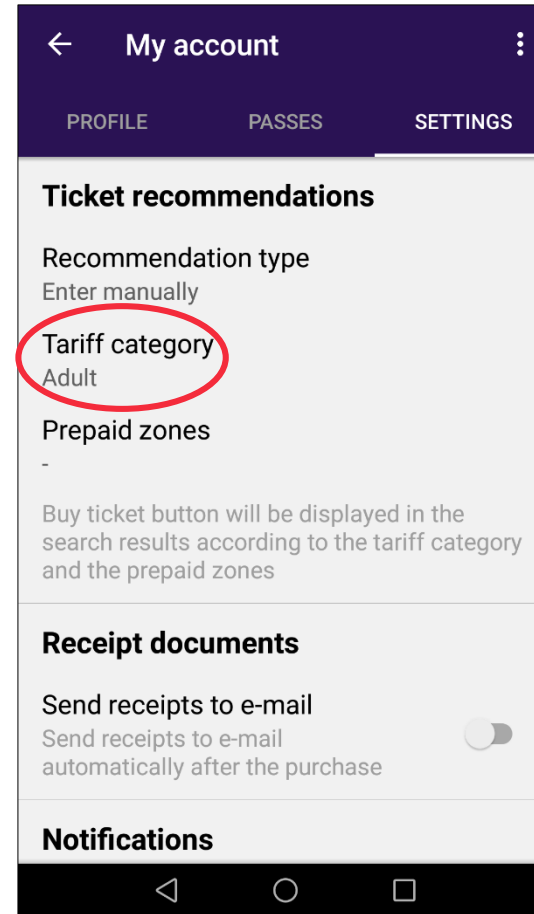

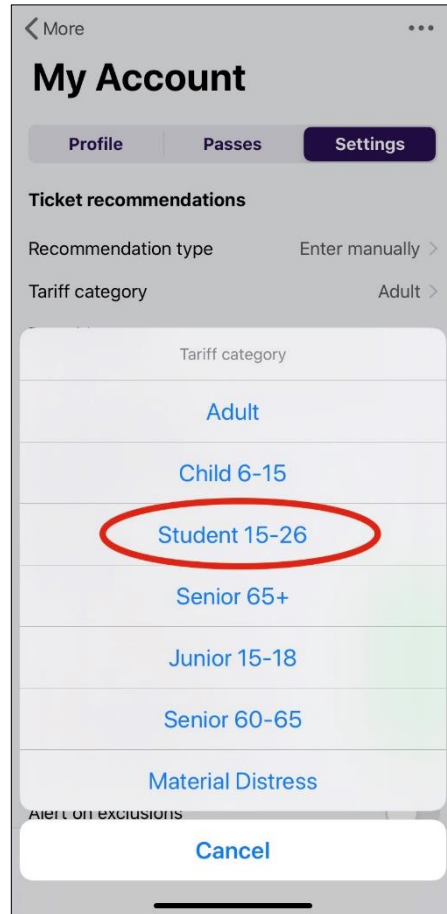

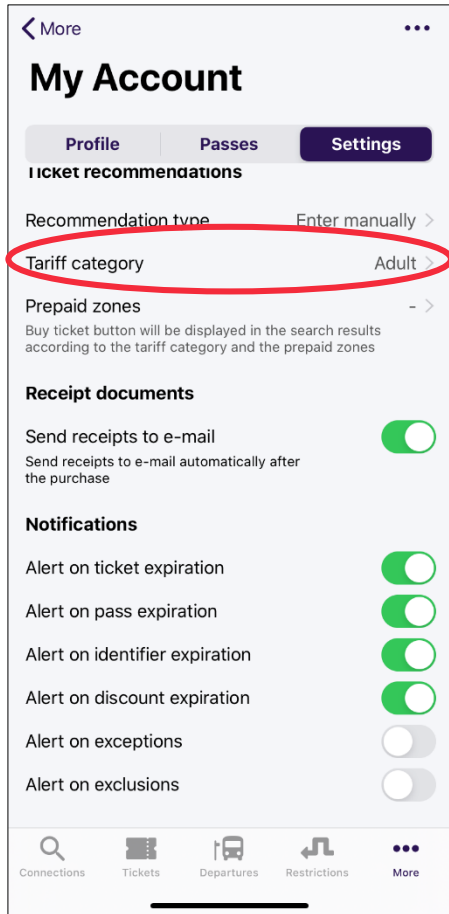

Depending on the age you will be assigned a tariff category. In case of a discount claim, verification at the contact point is required.

If you are an ISIC card holder and have filled in a card number, student status will be verified online now.

Useful information & FAQ

- ▶ In case you have **more identifiers** (e.g. Smartphone and Bank card), only **one** can be activated at a time.
- ▶ It is possible to **switch identifiers** through the app anytime (e.g. from one bank card to another, or to Smartphone etc.)
- ▶ **Student fare** can be claimed only with an **ISIC card issued by VSE** and only up to **age of 26**.

- ▶ What to do when I have troubles with the set-up?
 - ▶ Please try to ask your Buddy for assistance (e.g. with a call to the info-line)
