7) Confirm your personal data information

A mobile application interface showing a confirmation dialog for personal data. The background is a grey form with fields for TITLE, FIRST NAME, MIDDLE NAME, LAST NAME, DATE OF BIRTH, ISIC, PHONE NUMBER, E-MAIL, and SUPPORT. A white dialog box is centered over the form. The dialog has a title 'Is all information correct?' and three paragraphs of text. The first paragraph states that once saved, name, surname, and date of birth can only be changed at the contact point. The second paragraph explains that a tariff category will be assigned based on age, and verification is required for discount claims. The third paragraph states that if an ISIC card holder has filled in a card number, student status will be verified online. At the bottom of the dialog are 'Back' and 'Confirm' buttons. A red checkmark is drawn over the 'Confirm' button. Below the dialog is a green 'Save' button.

Is all information correct?

Once saved, your name, surname and date of birth can only be changed personally at the contact point.

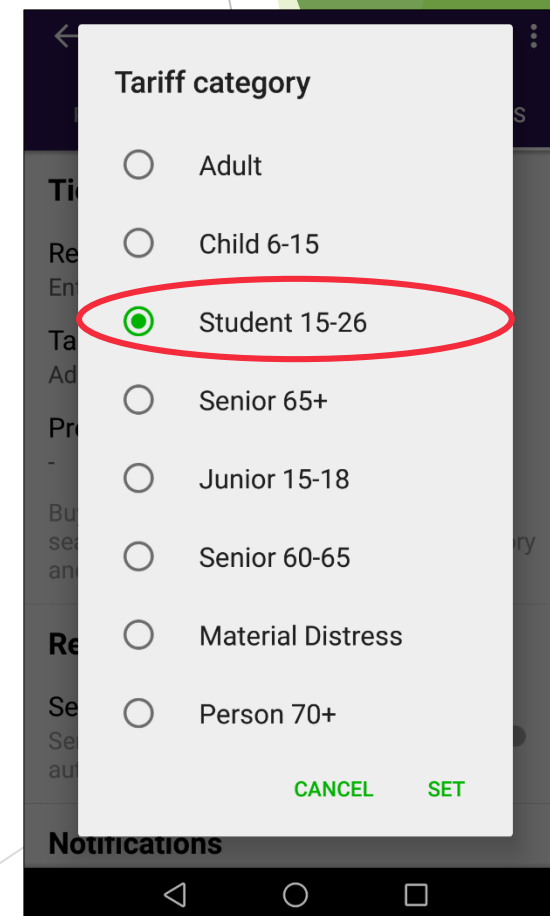

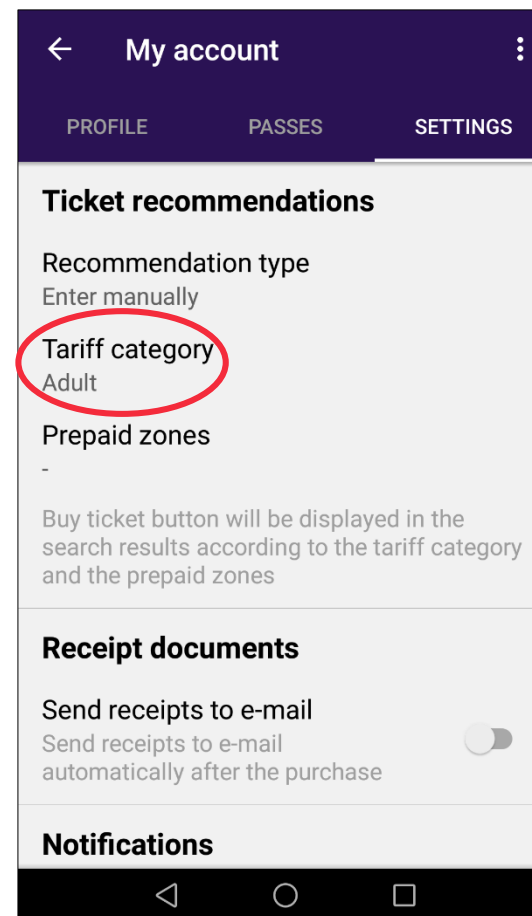

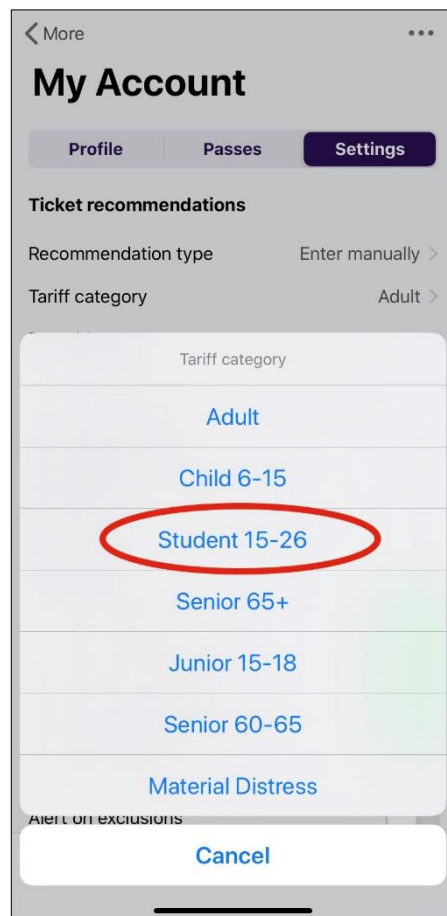

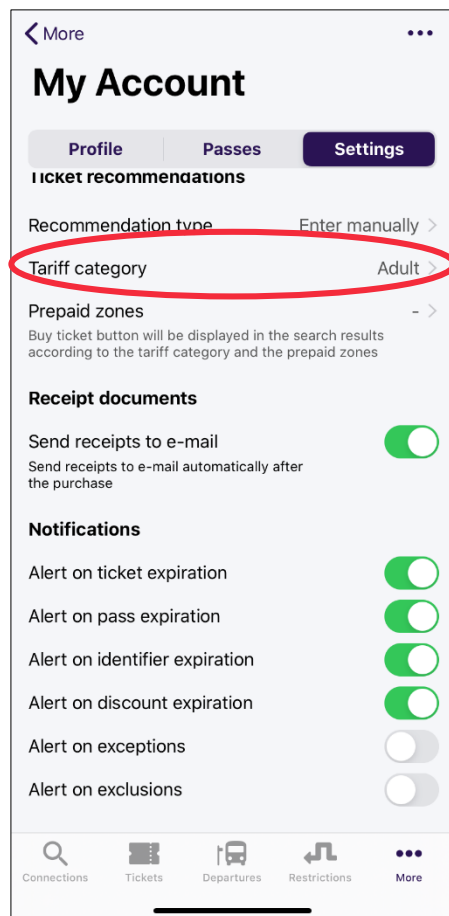

Depending on the age you will be assigned a tariff category. In case of a discount claim, verification at the contact point is required.

If you are an ISIC card holder and have filled in a card number, student status will be verified online now.
