The screenshot shows the Lítačka website interface. At the top, there is a green header with the logo "lítačka" and the tagline "travel around Prague freely". To the right of the logo, there are language options "CZ" and "EN", and an "Infoline" number "246 030 970". Below the header is a navigation menu with links: Home, About, News, Discounts, Pricelist, Help, Contact, Future plans, and a "Have an account? Log in" button.

The main content area features the text "Travel around Prague with the new Lítačka." followed by "Již 2 roky létáme společně!". Below this, a question "Are you here for the first time?" is posed. Three registration options are presented in colored boxes:

- I already have OpenCard and I want Lítačka** (red box): "Check if it's time to trade in your OpenCard for a Lítačka." with a red arrow button.
- I already have Lítačka and I want to register** (green box): "Get an overview of your account or extend my validity from the comfort of your home. And there are other advantages too." with a green arrow button.
- I have nothing and I want Lítačka** (green box): "Apply for me within a few minutes." with a green arrow button.

At the bottom right, there is a green button labeled "Máte dotaz?" with an upward arrow icon.
